PRODUCT OVERVIEW

Carl Stahl offers high-quality roller shutter tapes and awning drawstrings made in Germany.

The products feature high tensile strength, durable materials, and modern designs. Available in various widths and lengths, they are suitable for light to heavy roller shutters and awnings.

APPLICATIONS

For use with roller shutters and awnings in new and existing buildings. Suitable for replacement, repair, and custom-made solutions.

DURABLE

EASY TO MAINTAIN

HIGH TENSILE STRENGTH

UV-RESISTANT

WIDE COLOR RANGE

MADE IN GERMANY

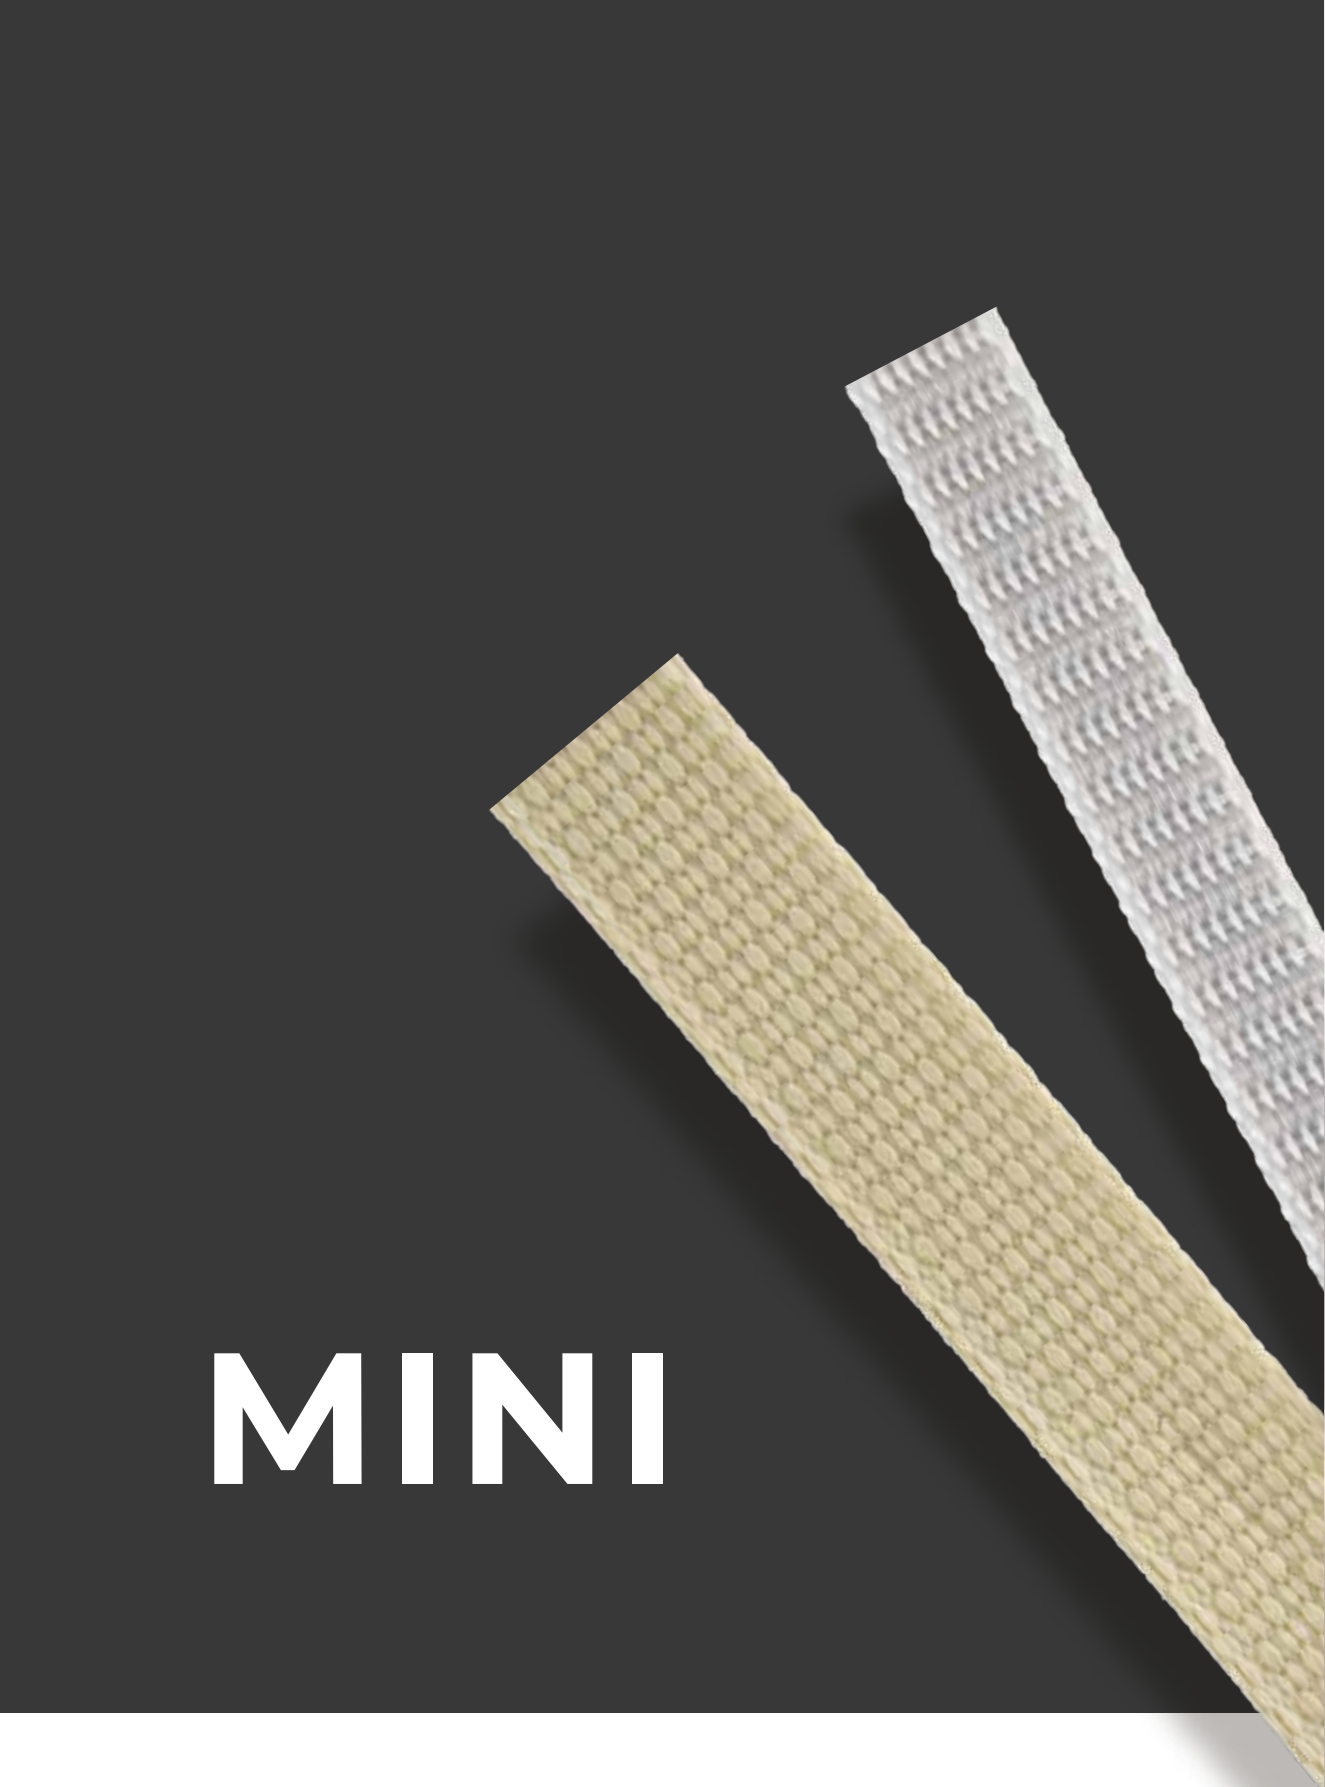

DESIGN AND COLORS

In addition to classic colors such as beige, gray, and white, **Carl Stahl** offers trendy lifestyle colors like sand, slate gray, and ochre. Custom color combinations are available on request, turning the roller shutter tape into a stylish design element.
